PHCA has many Shopping Cards in-stock

"What does this mean to you?" you ask:

- * Using shopping cards can help you stick to a budget.
- * If you buy gas...we carry Sheetz, Get-Go, Marathon and Speedway cards on-hand.
- * If you ever stop for fast food or go out to a restaurant...you could pick up cards from us first.
- * If you buy groceries at Giant Eagle or Gordon Food Services...we have grocery cards too.
- * If you shop at a department store, home improvement store or a specialty store, many cards are on hand and available today.
- * Do you have a Kohl's credit card? You can use our Kohl's shopping cards to pay your Kohl's charge card bill.

If you've never used this program, here's how it works: You simply buy your shopping/gift card from the Academy first, then you go to the store to buy what you were already planning to buy. The Academy is supported by the portion of your consumer dollars donated by that store.

Do you shop online? Our Shopping Card Program has the added bonus of buying online and receiving physical cards, e-cards or reloading physical cards you already have. Go to RaiseRight.com and enter the code **8FB99ECF65482**. Sign up and start shopping.
